

St. Mary's KERRISDALE

NEIGHBOURHOOD PANTRY

St. Mary's is now hosting a Free Neighbourhood Pantry:

providing low-barrier, no-questions-asked life goods to anyone who needs them. No policing, no shaming. This project is meant to be **self-sustaining** and we hope it **builds connection / community** by serving as a meeting place.

***Anyone can drop off, anyone can pick up.
Please help us in getting the pantry
stocked in the coming months!***

Pantry items we're accepting

- Period products – pads, tampons, liners
- Dry food goods, non-perishable goods
- Toothpaste/toothbrushes, soap, and other general hygiene items
- Sunscreen, bottled water, and other products that help keep people safe in extreme weather conditions

For safety reasons, the pantry cannot accept open, expired, or perishable goods. We also cannot accept clothing items at this time due to space restrictions.
